נושא: Ehud's visit to Toronto

Shalom Dana,

I just found out that Ehud will be in Toronto towards the end of March. I was hoping you could help me see if he has a couple minutes to say a quick hello.

Ehud and I were in the same tank crew. I was his gunner 1973/1974 he was Magad.

More recently, he got to know my son, Oren, while he was the chief of staff to the Canadian Forign Minister, John Baird.

If he has some time, even for a brief hello, I would really enjoy the chance to catch up and see him again.

I was at the reunion also with him for our unit 100 in 2013.

Best,
